**Safety and Guidelines for 2020 season.** (*we are following these guidelines*)

- 1) Masks or face covers to be worn by athletes and coaches in the locker room and when in the gym when social distance can not be done. So we will be wearing masks when we can not social distance.
- 2) Practices that last an hour and a half players will be required to wash hands twice per practice.
- 3) Athletes need to bring and use their own water bottles.
- 4) Coaches to spray, wipe and clean the balls and any equipment they used during that night's practice.
- 5) No parents or non essential people allowed in the gym during practice.
- 6) Athletes wear masks until they leave the building.

Also at games each athlete is only allowed 2 spectators in the gym. Masks should be worn in the gym by all.
