MR. AVILA'S ACCEPTANCE LETTER -Praise God for this wonderful decision!! Please keep Mr. Avila and his family in your thoughts and prayers as they complete the school year at St. John's and prepare to serve at Trinity.

November 22, 2020

Dear Brothers and Sisters at Trinity Lutheran Church,

It is with great joy that I write this letter to formally announce that after much prayerful deliberation the Lord has led me to accept the Divine Call extended to me by your congregation. I am humbled by the opportunity to teach Jesus' little lambs and lead your school and faculty forward. I pray the Lord will use me and my family to be a blessing to your congregation and school ministry.

My family and I eagerly look forward to getting to know you and are excited to become part of the Trinity family as we make West Bend and your congregation our new home. Throughout my deliberations, I had opportunities to talk with some of your leaders and families and talk about the ministry at Trinity Lutheran. What a joy it has been throughout this process to hear about the wonderful ways you have used and continue to use your gifts and abilities to support your school ministry. We feel truly blessed to be able to join a body of believers so fully committed to the Lord's work through this ministry, and we are excited to use the gifts the Lord has given to us to serve alongside you.

Although we are excited, moving and the changes that come with a transition such as this can be intimidating. We have been at St. John's for the past 5 years. We have made many close friends here over the years. As can be expected, leaving our current home and close friends is difficult. We have already begun to pray that God would grant us peace throughout the transition, and that according to His will, our move goes smoothly. We ask that you please keep our family in your prayers as we make this transition, and we would welcome any assistance in making the move to West Bend.

During the past few weeks, those in our St. John's family have expressed their concerns about the potential impact of our leaving on their school ministry. According to his gracious will, I trust that the Lord will provide a leader for our church and school family here in Red Wing. Please keep your brothers and sisters at St. John's in your prayers also.

I look forward to partnering with all of you in the gospel ministry, and I pray for the Lord's richest blessings on the remainder of your school year.

In Christ's Service,

Chris Avila -
