Hot Lunch Program

Our AMAZING hot lunch cook will be retiring soon. (Sandy's grandson, Seamus will be graduating this year.) If we want to keep the lunch program going we will need to find someone who is able and willing to work with Sandy during the 2021-2022 school year. If we

are unable to find someone to fill her role we will have to make some major lunch program changes.

PLEASE SPREAD THE WORD—if you or someone you know enjoys cooking and is interested in working with Sandy next school year, please contact the school office for more information:
